

# Photos Storyboard

By Anil Tilve and Ayush Joshi

# Photos Storyboard - Login Screen (1)

## Photos Storyboard - Admin Dashboard (2)

## Photos Storyboard - User Dashboard (3)

The screenshot shows the Xcode IDE with a storyboard titled "UserDashboard.fxml". The storyboard contains a "User Dashboard" scene with the following elements:

- Log out** button: Annotated with a red arrow pointing to a box that says "Goes back to Login Screen (1)".
- Album name:** text field.
- Confirm** and **Cancel** buttons.
- Add album**, **Delete album**, **Search Photos**, **Open album**, and **Rename album** buttons.

Red arrows indicate the following navigation paths:

- From the **Search Photos** button to a box: "Goes to 'Search Photos' (6)".
- From the **Open album** button to a box: "Goes to 'Album Display' (4)".
- From the bottom of the dashboard to a box: "ListView that displays albums".

The left sidebar shows the "Document" pane with a hierarchy of UI elements:

- BorderPane
  - AnchorPane
    - Label User Dashboard
    - Button Log out
    - Button Add album
    - Button Delete album
    - TextField
    - Button Cancel
    - Button Confirm
    - Button Rename album
    - Label Album name:
    - Button Open album
    - Button Search Photos
    - insert LEFT
    - ListView
    - insert RIGHT
    - insert BOTTOM

The bottom status bar shows the time as 3:14 PM on 10/29/2017.

**Goes back to “User Dashboard” (3) or “Admin Dashboard” (4)**

**Text fields enabled by all actions except “Delete”, and disabled by “Cancel”**

**Goes back to Login Screen (1)**
